## Governor Ron's Message

Happy New Year my Fellow Kiwanians

We're off and running in 2020. Missouri Arkansas District has scheduled seven (7) Mid-Winter Education Days, one will be close to you. There will be a variety of information in each session that will help your club grow stronger to make a bigger impact in your communities. It will also give you a chance to meet and get to know fellow Kiwanians.

Did you make a New Year resolution? I did and I have broken all of them but one, which is to bring a guest each month to a meeting. Try it, we all might all learn with new blood. People need to see what we do before they can make a commitment to join. They also need to know their fit in your club.

The District has a new program to help revitalize existing clubs. Many Kiwanians are learning how to help other clubs in their divisions and the district. Call Barbara Thompson or Dan Yates, Co-Membership Chairs, if your club needs assistance. You can also join the team of club builders to assist your fellow clubs.

I also want you to consider participating in the District Project "Every Child A Swimmer." This program helps teach 3rd - 4<sup>th</sup> Graders how to swim. Kiwanis Club team with local aquatic facilities to provide opportunities for kids to learn to swim who might not have that chance. Information is available later in this publication and online at <https://everychildaswimmer.com>. A great program and service project.

My last piece of advice to start the year is "never miss a chance to kiss your mother."

And if you're not having fun than you're not doing it right!!!

See you at an Education Day as I will be at all of them.

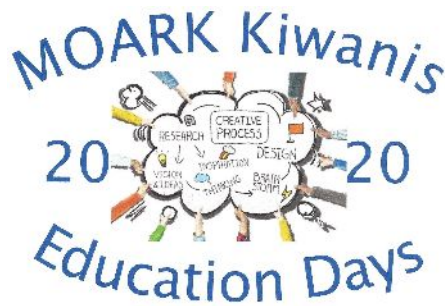

Your humble Governor,  
Ron

## MO-ARK Kiwanis 2019-2020 Contributions Foundations and District Youth Funds

### Club Budget - \$20.00 Per Member Total

The money for the contributions can be taken from either your service fund or administrative fund. Some clubs ask members to each give an extra \$20.00 each in their dues. The MO-ARK District requests that you make all these donations in October, November, or December. By doing this during the first quarter of the Kiwanis year, you get it done and are less likely to forget it. Also, it makes the funds available early so the Foundations and Service Leadership organizations can plan wise use of the funds.

### SEND CONTRIBUTIONS TO:

**EARL COLLINS FOUNDATION, \$5.00 per Member**

**Gene Bartley, Secretary, 894 Heather Circle, Conway, AR 72034**

# ELIMINATE

maternal/neonatal tetanus

## Eliminate Project News: January 2020

Progress is being made and the MO-ARK District of Kiwanis is helping protect and save mothers and their babies. Tetanus kills about 30,000 mothers and babies each year, about 80 every day. The numbers are going down as UNICEF and Kiwanis work together to vaccinate mothers to protect them and their babies.

Your club and your SLPs can make a difference. A gift of \$1.80 will protect and save a mother and her babies. A Zeller Fellowship is available for a gift of \$1,250 (Mothers Day and Presidential Zellers are still available). Matching funds are available: You or your club can give \$1000 and the matching funds will provide the additional \$250 for a Zeller Fellowship, which can be used to honor someone in your club or community.

For more information go to the Kiwanis Children's Fund or contact our MO-ARK District Eliminate Advocate, Roger Jespersen, at [rogerki16@gmail.com](mailto:rogerki16@gmail.com) or 573-803-077. Thank you for support mothers and their babies around the world.

## K-Family Working Together

### Builders Club and Key Club “Elves” help Union Kiwanians

From the Cover

The Angel Tree program is a partnership between the United Bank of Union and the Union Kiwanis Club. Each year, local families who need assistance providing Christmas gifts and a meal for their children are identified. Community businesses and individuals donate clothes, books and other gifts for the children. This year, the program provided gifts for 161 children in 57 families. The gifts are collected and distributed to the families by Santa and several elves, with Santa being played by Union Kiwanis members and friends, and elves being played by Key Club and Builders Club members, as well as friends of Kiwanis members and their families.

### ERC AKTION Club of Springdale Celebrates Anniversary

The ERC AKTION Club of Springdale recently celebrated their 10th anniversary. Over 40 members attended the celebration as well as several members of the Springdale Kiwanis Club. Entertainment and cake were provided by Kiwanis members.

The ERC AKTION Club was started by Delores and Truman Stamps and Jerry Martin, in January 2010. This club has averaged 40+ members in attendance, meeting on the 2nd and 4th Friday of the month. One of the favorite activities of the members is when an exercise specialist, in attendance, gets the group moving, by standing and sitting during the meeting. Many of the members have lost weight, some up to 50 pounds! Pictured are the original sponsors from Springdale Kiwanis club. Pictured are Truman and Dolores Stamps, Jerry Martin and Tamara Trujillo, the first president of the ERC AKTION Club.

### Branson Tri-Lakes Kiwanis Club Donates to Christmas Assistance Programs

The Branson Tri-Lakes Kiwanis Club held their annual Pancakes with Santa event at McFarlain's, located inside the Branson IMAX Entertainment Complex, and raised more than \$900. The money was used to adopt a couple of local families with children through Love INC. so their Christmas could be a little brighter. After shopping for the families was complete, the club decided to take the remaining money and add to it to make the holidays brighter for some students at Branson and Hollister Schools.

A \$200 check was presented to both the Branson Schools and Hollister Schools to help with their Christmas Assistance programs.

"The hundreds of children who are helped through programs like Love INC. and Branson and Hollister's Christmas Assistance programs, they go without so much of the time," said Branson Tri-Lakes Kiwanis President Mindy Honey. "Often new clothes, new coats, and new toys are a luxury their families cannot afford. The Branson Tri-Lakes Kiwanis Club is truly honored to be able to work with generous organizations and individuals who make donations like this possible. Together, we are helping families in our community experience the magic and joy of Christmas." Pictured at left are Mindy Honey (Kiwanis President) and Vickie Daniels from Hollister Schools. Pictured at right are Dr. Don Forrest (past president) and Deanna Sheets of Branson Schools.

### Kiwanis Club of O'Fallon Dedicate New Playground

Recently the Kiwanis Club of O'Fallon held a ribbon cutting to dedicate the new playground donated to the O'Fallon Salvation Army. Several years ago, Kiwanis members saw that the children's playground at the O'Fallon Salvation Army was worn and might eventually become unsafe. As a result, the Club started fundraising to replace the playground by flipping pancakes, hosting Trivia Nights and Golf Tournaments. Those present at the ribbon cutting were Kiwanis members, one of the Salvation Army Board Members, Fort Zumwalt West Middle School Builder's Club faculty advisor and a Builder's Club student. The O'Fallon Kiwanis Club regularly meets at noon on Thursdays at JJ's Restaurant in O'Fallon.

### Batesville Kiwanis Club Youth Football League

In 2003, the Batesville Pioneers won the state 4A Football Championship. Lyndal Waits, stadium announcer for the Pioneers since 1999, had a keen interest for football and the positive effects it had on the youth of Batesville and Independence County. Football had always been a strong program at Batesville and at the games, he heard of parents tired of taking their children to Cave City, a neighboring town to the north, for youth league football. Taking their player to practices during the week and games at Cave city and other cities used up quite a bit of time on Saturdays.

With the thought that Batesville, and the county, was a big enough area for a program, Lyndal started researching how to form a youth football league. While he announced football, he had never played football in high school. So, he enlisted the help of Dr. Greg Neaville, who had a son who would be in the fourth grade in the fall of 2004. After many hours of discussion and research, they decided on forming their own unique program not affiliated with a national program such as Pop Warner.

The goal of the program was to get players ready for 7<sup>th</sup> grade football by learning fundamentals. Coaches, officials, and scoreboard operator are volunteers, no one is paid. Rules have been adjusted to speed up play, but generally follow National High School rules. Player fees cover the cost of the program. Team sponsors cover the cost of the jerseys. One of our main features is that no child is turned away because inability to play. We will cover the fee.

The player goal was to have 120 youth in the 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> grades with the aim to have 15 on a team, 8 teams total. 3<sup>rd</sup> and 4<sup>th</sup> graders formed 4 teams and played each other in the American Football Conference and 5<sup>th</sup> and 6<sup>th</sup> graders formed 4 teams and played each other in the National Football Conference. The first season had 92 players. Southside School District wanted to be a part of the program and the next year the numbers grew to 196. Southside stayed with KYFL for six years and then formed their own school-based program. The numbers grew to 243 during that period.

KYFL has 2,504 players registered in 16 seasons. In 2013, cheerleading squads were added and 287 registered to date. For a few years, the Batesville Key Club sold concessions during game weekends (Saturdays and Sundays). Over \$5,000.00 was raised and a Veteran's memorial with flag and pole was dedicated on November 11, 2016 at the first playoff game of the season.

Kiwanis is grateful for the support of the Batesville School District and especially AD and Head Coach Dave King. The district has also given Kiwanis a place to store helmets and pads and allowed the league to play on the artificial turf in Pioneer Stadium for the entirety of the program.

KYFL lives by this quote from John Madden, "The impact you have on the children is great and lasting, more than you'll ever know. You may never know, so make it positive."

## Kiwanis Honors

### Zellers Awarded to members of Fort Smith Club

On January 16, 2020, the Kiwanis Club of Fort Smith, Arkansas, presented Walter Zeller Fellowship Awards to six of its members. The Kiwanis Club of Fort Smith gave these awards because each of these members has given tirelessly toward serving the children of the Fort Smith region for many years. In addition, the club believes that these awards, which were designated for the Eliminate Project, gives integrity to the Kiwanis motto of "Serving The Children of the World." The club has now given over \$26,800 to the Eliminate Project and has attained the status of Model Club. Recipients are from left: Steven Riggs, Terri Settle, K.C. Shay, Rodney Shay, Mike Nichols and Philip Pevehouse.

### Kiwanis Club of South County Awards Les Mace Award

The Kiwanis Club of South County - St. Louis recently presented Carol Kurmann with the Les Mace Award for her work with the club's Reading is Fun program. Carol is not a member of the Kiwanis Club, but throughout the year spends numerous hours searching for and purchasing books for the babies and pre-schoolers at the Lemay Children's and Family Center. Mehlville and Oakville High School Key Club members then read the books to the children who get to keep the books and take them home. Pictured are President Lee Bodendieck presenting the Les Mace Award to Carol Kurmann.

## An Important Message Secretary Mary Vaughan

### Cataloging Kiwanis Projects

Kiwanis International needs your help. Kiwanis wants to know what projects in our district carry the Kiwanis name. These include campgrounds, learning centers, playgrounds, buildings, senior living centers, retail stores, parades, festivals, events etc. They are trying to identify how and where the Kiwanis' name is being used.

They are asking for your help, because we all cannot accomplish this enormous task without you. The purposes are two-fold:

- (1) To identify all the good that Kiwanis is doing.
  - As we identify these projects, each District will be able to create a brag sheet demonstrating their success; and
  - Kiwanis International can create a map showing all the areas where Kiwanis has benefited the community.
- (2) To improve our liability protection through proper diligence and education.
  - As we compile information, Kiwanis International can work with District Leadership and District Risk Managers to obtain indemnification agreements and insurance certificates that will better protect the Kiwaniverse for all of its projects.

You will find an excel spreadsheet on the MOARK website [www.moarkkiwanis.net](http://www.moarkkiwanis.net) that shows you the information that they are looking for. Will you please fill out that excel sheet with as many of the current projects that you are able to gather in your clubs? Then when complete please send the final sheet to the District Secretary, Mary Vaughan at [kiwanismoark@outlook.com](mailto:kiwanismoark@outlook.com) by March 1, 2020. Your assistance is greatly appreciated. For more information, don't hesitate to call Mary at 314-581-0497.

## Trainers Wanted for CLE

### Club Leadership Education

### Trainers Wanted!!

Kiwanis takes pride in its program to train club officers; Club Leadership Education (CLE). In the MO-ARK District, training is provided by about 25 volunteer trainers. (We thank them for their service.) It's time to get our team of certified trainers together for the 2020 training season.

For the convenience of those to be trained, a certified trainer in each Division would be ideal. The Divisions lacking trainers are 2, 8, 11, 12, 15, 16, 17, 20, 23, 25, and 26. If you would like to serve as a trainer or to recommend someone, please contact Paul Eckler. Most trainers do one or two training sessions per year. It's a modest time commitment. Any experienced club officer can be a certified trainer.

CLE training should be completed by October 1<sup>st</sup> when officers take office. Clubs elect officers in April and report by June 1. Most training is in the summer months. Trainers work with Lt. Governors to schedule training in their area. Make-up training is held at the MO-ARK Convention in August.

Club President and Secretary attendance is one of the requirements for the MO-ARK Distinguished Club award. Secretaries especially should attend training to learn to use the Secretary Dashboard online.

To learn about these divisions please visit the MO-ARK Website at [www.moarkkiwanis.net](http://www.moarkkiwanis.net) or <https://portalbuzzuserfiles.s3.amazonaws.com/ou-88/userfiles/files/mo-ark%20division%20boundaries-rev.pdf>

A list of Certified Trainers is available on the MO-ARK Website:  
[www.moark.portalbuzz.com/Page/36582](http://www.moark.portalbuzz.com/Page/36582)

Training is available for Presidents, Secretaries, Treasurers, and Membership Committee Chair (plus additional topics offered online.) Clubs will receive five copies of the new Leadership Guide will be distributed at the Midyear Education Days. Please pass them on to your new officers when elected and ask them to bring them to training.

For more information or to volunteer please contact Paul Eckler, MO-ARK Master Trainer at [paul.eckler@att.net](mailto:paul.eckler@att.net) or call 636-273-5398.
