Kiwanigram Editor

The Missouri-Arkansas District is pleased to announce a new editor for the Kiwanigram magazine. We want to thank Don Schaefer for the wonderful job that he did for so many years, and wish him the best in his retirement. Our new editor, David Bohnenkamper with the Springfield-South (Missouri) Kiwanis club, brings plenty of knowledge and experience to the job. He has an Associate of Arts degree in graphic design from Ozark's Technical Community College in Springfield, and has been the editor of a very fine weekly newsletter for his own club for the past six years.

David Bohnenkamper
Kiwanigram Editor

With a new editor, we are also inaugurating a new era for The Kiwanigram. The magazine will now be published electronically rather than in paper format, and will be published bi-monthly rather than quarterly. David has said that he wants to include plenty of coverage of the great service activities of the Kiwanis clubs throughout the district, so be sure to send a description and photos of your service projects to be included in the next issue. You will find instructions for submitting information on the last page of this issue. Don't be shy about bragging on your club, you may inspire other clubs to start a new project of their own.

GOVERNOR'S MESSAGE

The seasons have changed and the day of thanksgiving is at hand. Let each of us in our own way, according to our own creed, give thanks to almighty God for the blessings we share.

Let us be thankful we live in this land where we are free to speak our minds and cast our vote as we see fit.

Let us be thankful for life itself and whatever measure of health we possess.

Let us be thankful for friends who gladden our lives.

Let us be thankful for families to love.

Let us be thankful for the opportunity to carry out our work as Kiwanians.

Have a very happy and most enjoyable Thanksgiving as we give thanks for what we have and for the privilege to share our lives through Kiwanis service.

Perhaps the best way to express our gratitude is to repay the good that has come into our lives by serving others. This expression of gratitude is demonstrated every day of the year by the men and women of Kiwanis.

Lori and I wish you a very Happy Thanksgiving.

Don Leopold
MoArk Governor 2015-16

Junior High students overcrowd the classroom for the first meeting of the Fountain Lake Junior High Builders Club.

Almost 200 students from Fountain Lake Junior High showed up for the organizational meeting of the Kiwanis Builders Club, sponsored by the Kiwanis Club of Greater Hot Springs Village (Arkansas). With a mission to “Build Leaders,” the club includes service projects, social activities and electing its own leaders. The major problem now is limiting the size. As Kiwanis sponsor Gwen Bonds said, “There’s no room large enough to hold them, but we don’t want to discourage anyone.” She will be looking for more volunteers to help with supervision.
