Message from Governor A.C. Paxton

Hello everyone, it's great to be back! I want to thank you for your prayers, cards, letters, phone calls, and all other communications regarding my recent health experience. I am on the road to recovery which should be an interesting journey. Congratulations to the clubs that brought in new members during the membership contest (story on page 3).

With only 6 months left in the Kiwanis year, let's continue to focus on bringing in new members to offset any losses we may have had due to Covid or any other circumstances. Remember that we can do more with more members. "Each One Reach One" is our theme for this year, and there has never been a more important time for individual club members to help revitalize their clubs."

If "EACH ONE REACHES ONE," we will end up with a great year!

Yours in Service,
A.C. Paxton

Did you know?

Kiwanis helps battle deadly lung disease.*

When disease attacked the lungs the children of Boone County in the 1930s, Kiwanis stepped up. In 1932, club president Tom Alton established a "shelter camp" at the corner of William and Walnut streets for underprivileged children with borderline tuberculosis. Shelter camps provided open-air therapy of rest and nutrition to keep the disease from progressing.

Club member Col. M.C. Kerth arranged to use ROTC trucks to bring children to the camp five afternoons a week. The kids were fed several times during the day and the MU medical fraternity provided X-ray diagnosis and parent counseling.

The camp operated for three years successfully and left a lasting legacy. The program of health through open-air recreation was the model for the Columbia Park and Playground Project.

Membership Contest Results

Wright City (Mo.) and Rogers (Ark.) are the winners of the first Kiwanis Missouri-Arkansas Membership Contest. The competition, intended to encourage member recruiting, started Nov. 1, 2020 and ended March 31, 2021.

Wright City, a Missouri Division 6 club, led the 46 clubs in Group A, with an increase of 18.92%, based on adding seven new members. That will earn Wright City a first-place grant of \$4,000.

The other Group A winners and their percentages of increase, along with the grants they won, are: 2nd place, Springfield Downtown (Division 13), 17.78%, \$3,000; 3rd place, Crestwood-Sunset Hills (Division 9), 14.71%, \$2,000; and 4th place, Florissant Valley (Division 7), 12.77%, \$1,000.

Rogers, an Arkansas Division 19 club, swept Group B by more than doubling its membership in the contest period. Its winning percentage of 129.41 reflected 22 new members from its Nov. 1 count of 17. The Roger's club earned the first place grant of \$4000.

The other Group B winners are: 2nd place, Liberty, Mo. (Division 3), 69.23% , \$3,000; 3rd place Sedalia, Mo. (Division 11), 60%, \$2000; three fourth-place grants, each for \$1,000, will go to Ritenour-St. Louis County, Trenton (Mo.) and Bentonville (Ark.). Each had a membership increase of more than 30%.

The 180 clubs in the MO-ARK District had a net gain of 44 members overall during the contest period, closing March with 4,348 members.

MO-ARK District Governor, A. C. Paxton, congratulated the members of the clubs winning grants and pointed out that the district board established the contest, using reserve funds, as a means of encouraging clubs to get back to recruiting new members after a year of dealing with the coronavirus pandemic.

"Each One Reach One" is our theme for this year," he said, "and there has never been a more important time for individual club members to help revitalize their clubs."

We've seen some excellent efforts in this competition, but the end of the contest should certainly not slow those efforts," he said. "We can all do more to spread the good name of Kiwanis in our communities."

Note: Below are charts showing the top 20 clubs in each of the two divisions (actually 22 in Group B since there was a 3-way tie for 20th place).

Workday at Kamp Kiwanis

On two Saturdays in March (10 and 20th) this year, the Beatrice Johnson Kiwanis Youth Camp directors and other volunteers held a workdays to prepare the Kamp for the upcoming season. Workday projects included, pouring and finishing a concrete slab with a wheelchair ramp at the new bathroom, and finishing all the electrical work for the pavilion. Volunteers then cleaned and painted 14 picnic tables and benches, power washed the pavilion floor and painted pavilion posts. They also removed dead trees and cleared brush along hiking trails, roads and at camp pods. Of course all the work was supervised by the unofficial Kamp project supervisor, Ace. It is anticipated that it will be a very busy season at the Kamp this year as we recover from Covid19 restrictions last year. To make reservations to use the Kamp go to the Beatrice Johnson Kiwanis Youth Kamp web page (kampkiwanismoar.org). Don't delay, available dates are filling fast.

South County-St. Louis Kiwanians establish Kiwanis Corners

South County Kiwanis President Louann Elledge and Dr. Chad Dickemper, Director of Planning and Development of the Mehlville School District and a member of South County Kiwanis, are excited to report that the Kiwanis Corner, a selection of Social-Emotional Learning (SEL) books, will be delivered to all elementary schools in the Mehlville School District after spring break! The goal of the Kiwanis Corner is to support social-emotional learning for students, by providing a diverse set of reading materials appropriate to grades K-5. Many of these books may already be in the libraries, but our hope is to feature them to draw attention of all students.

Special thanks to Mrs. Rachel Schremp, the librarian at Trautwein Elementary for her support in this project, and to South County Kiwanis member Mary Howard for planning and heading up this effort to establish the Kiwanis Corner in all of Mehlville School District elementary schools. South County Kiwanis plans to continue adding to these collections of books in the future to increase the appeal to all students.

O'Fallon Kiwanis Club honors child advocacy coordinator

The Kiwanis Club of O'Fallon gives a Quarterly Award to someone in the Community who is making a difference, giving them a certificate and a gift card. This quarter the club honored Jenn Townsend from The Child Center in Wentzville, MO. The Child Center is a child advocacy center with the primary goal to ensure that children disclosing abuse are not further victimized by the intervention systems designed to protect them. As an intake coordinator, she touches every case that comes to the Child Center (more than 100 a month). The majority of her work is done on a phone connecting, comforting and showing true compassion for children and their families in their state of crisis. Kiwanis Club of St. Joseph, MO Coats for Kids Program

Kiwanis Club of St. Joseph, MO continued the tradition of providing vouchers for area children to purchase new coats and other cold weather items. In partnership with the St. Joseph School District Counseling Department, Kiwanis was able to get \$11,000 worth of vouchers into the hands of kids that are in need of a coat this winter. Jeff Ellison, Kiwanis Coats for Kids committee chair, states “we do it to help the large number of families in need of warm clothing each year, but this year in particular.” Elizabeth Chase, Coordinator of Counseling in the St. Joseph School District adds, “While the Kiwanis Coats for Kids program has always been a wonderful resource for many of our students, this year the program allowed us to meet some significant needs that might have gone unfilled in the midst of the pandemic. With an increasing number of families struggling to make ends meet, the Saint Joseph School District is tremendously thankful to our local Kiwanis Club members for being willing to serve our community’s children by providing new warm-weather apparel.”

Jeff Auxier, Coats for Kids Committee Chair.

Kiwanis Club of St. Joseph, MO has been providing vouchers for coats to area children since 1993. Meaghan Simpson, Club President, states “Kiwanis Club of St. Joseph has been helping our community with coats for kids for many years. We are excited to be able to continue offering this voucher program, especially this year during the pandemic. We appreciate everyone who supports our fundraisers, such as our annual nut sales and our trivia night, to help us continue to get coats into the hands of kiddos that need them.”

Gravois Kiwanis Club saw a need and fulfilled it!

Gravois Kiwanis Club members delivered two bookcases, kids books, flash card packs, adult novels and reference books to the residents at Gateway 180 Homelessness Reversed. They sorted and set them all up in the computer room.

Kiwanis Celebrates Forty Years in Hot Springs

The Kiwanis Club of Hot Springs Village was chartered on March 19, 1981, with thirty-four members. Of that group, Henry Jensen was the first President, Jim McKinnon was Vice-President, Timothy Redden was the Secretary and the first Treasurer was Jack Keimester. While the archives of the Village's first newspaper, LaVilla, are lost to time it certainly seems likely that there was a big splash announcing the founding of Kiwanis in the Village. The Kiwanis Clubs of Hot Springs, Greater Hot Springs and the Golden K Club of Hot Springs were all sponsors of the new club. The club has been the home of one District Governor (Marion DuBose), nine Lieutenant Governors, two regional Trustees and recognized by the Missouri-Arkansas District as a Distinguished Club thirteen times. One other notable honor for the club was that the Boys and Girls Club was for many years named the Paul Bewie Boys and Girls Club after the second president of the club. The Village Kiwanis Club grew quickly and within a period of only three years more than 120 members could be counted. That was such a large group that the decision was made to divide and form a second club. The Kiwanis Club of Greater Hot Springs Village was chartered on October 4, 1984. The two Kiwanis Clubs are sponsors of three school districts, Fountain Lake, Mountain Pine and Jessieville, where they provide scholarships for graduating seniors and SLP clubs at the elementary through high school levels that promote leadership skills. The Village Club continues to support the community with financial support to such organizations as the Imagination Library, Terrific Kids, Special Kids Picnic, Meals-on-wheels, Cedar Mountain Boys and Girls Club, Jackson House, Salvation Army Bell Ringers, Camp Pfiefer and Village Pride Day, and continues to be the largest club in Division 15. Hot Springs Village Club's Fortieth Anniversary this year was a bit muted because of the precautions they were taking to cope with the Covid Pandemic. Nevertheless, on March 18, 2021, at their regular Thursday morning meeting, members "raised the cup" to celebrate, properly distanced and masked, forty years of service and fellowship. The current officers of the club are Charles Derryberry, President; Susan Lafond, Vice-president and current Regional Trustee; Rick Martinek, Treasurer; and Kathleen Kinney, Secretary and the current Lt. Gov. of Div.15. Hot Springs Village Kiwanis Club meets each Thursday at 8:00am in the Christ Lutheran Church, 103 Ponferrada Way. For more information, you can contact Club President Charlie Derryberry, 501-922-1915. Like us on Facebook! www.facebook.com/kiwanis.hsv.7. We are still practicing social distancing and please wear a mask.
